

MOTUL TOP KLEEN

**Degreasing and cleaning solvent
for engines and metallic parts.**

TYPE OF USE :

MOTUL TOP KLEEN is ready for use.

Specially designed for degreasing cisterns.

PROPERTIES :

- Very efficient degreasing power on all types of ferrous metals.
- Totally inert towards non ferrous metals : Copper corrosion : 1a.
- Outstanding wetting properties.
- Clinging and heady odourless solvent.
- Fast drying which removes totally greasy film.
- Do not need a later water rinsing.
- Very good oxidation stability.
- Fully transparent formulation which allows to follow easily fluid ageing.

ADVANTAGES :

- High flash point : 65°C (Pensky-Martens closed cup).
- Environment friendly : very low aromatic content 0.05% weight.
- Lowered benzene content : 5 ppm weight.
- Because of use in degreasing cisterns, contact with skin is strongly reduced, and so skin irritation is virtually nil.

We retain the right to modify the general characteristics of our products in order to offer to our customers the latest technical development..

Product specifications are definitive from the order which is subject to our general conditions of sale and warranty. Made in FRANCE.
