

Carpet/Door Sill Moldings

Replacement

1. Remove:
 - Front seats.
 - Rear seat cushion.
 - Console.
 - Opener cover (page 14-57).
2. Remove the screws, then pull up the door sill moldings.
3. Pry out the clips at the rear edge and under the dashboard, peel off the tape and remove the clip.

- ▶ Screw Locations

4. Remove the carpet.
5. Install the carpet in the reverse order of removal.

NOTE:

- Reattach the cut areas with tape and tie bands.
