

DISPOSAL

HINT:

Dispose of the RH side following the same procedures as with the LH side.

1. DISPOSE OF PNEUMATIC FRONT RH W/SHOCK ABSORBER CYLINDER ASSEMBLY

- (a) Fully extend the shock absorber rod.
 - (1) Using a drill, make a hole in the dimension as shown in the illustration to discharge the gas inside.

CAUTION:

- **Be careful when drilling because shards of metal may fly about, so always use the proper safety equipment.**
- **The gas is colorless, odorless and non-poisonous.**
