

**O.E.PRO MEANS BUSINESS!**

# Genuine SUBARU Performance Parts

...make the Subaru Impreza 2.5 RS and WRX thrill rides.

The exacting performance standards of Subaru

Performance Tuning (SPT) components are now available in more parts applications. We've applied our trophy-winning racing experience to our full line of performance parts for Impreza 2.5 RS back to 1998 as well as new parts for the exciting new WRX. Drivers looking for quicker steering response, racing-quality shift action and quicker acceleration will find these SPT parts deliver winning performance without compromise.

## Subaru enthusiasts will love the extra kick!

These components significantly enhance the driving experience, adding responsiveness and style that will thrill the most ardent Subaru driver – especially drivers of the new Impreza WRX. Plus, you can offer your customers performance styling “goodies” such as high-tech carbon fiber shift knobs and interior accent

trim kits, performance gauge packages, front end covers, SPT decals and more.

## You'll love the extra business

This line of Subaru Performance Tuning Parts can help foster a loyalty among your performance enthusiasts, customers who frequently put more money into their cars. And, over time, that can put more money into your business.

## Thank you for your interest in Genuine Subaru Parts.

The Subaru O.E.PRO Parts Program offers the largest inventory of these OE-quality Subaru parts available anywhere. Pricing information for the following products is available through your authorized Subaru dealer. Please call him for complete details.

► **To find a performance part application, simply click on any of the categories shown to the right. You may also scroll through the application charts to find a specific part.**

## DISCLAIMER OF WARRANTIES

This Subaru performance part is sold “as is” and without any warranty of any kind. All implied warranties, including all warranties of merchantability or fitness for a particular purpose, are excluded. Purchaser acknowledges that no representations have been made regarding this part, including but not limited to any representations as to its quality or performance, and purchaser shall be responsible for and bear all costs of repair or replacement due to any defect in or failure of this part.

Purchaser acknowledges that vehicles equipped with this part must not be operated on public highways since such operation may be unlawful. This performance part is intended solely for use on vehicles participating in sanctioned off-highway competitive events. Purchaser acknowledges that Subaru vehicle and parts and accessories warranties do not cover damage to any component that results from operating the vehicle in any competition or racing event. Purchaser also acknowledges that there is no warranty coverage for any part or accessory that fails as a result of the installation of this Subaru performance part. Purchaser accepts all responsibility for all vehicle modifications and all potential risks.

## IMPORTANT NOTICE

This Subaru performance part has been designed and is intended for off-highway application only. Installation of this part on a vehicle intended for use on public roads may violate state or federal laws and regulations including those relating to emissions requirements and motor vehicle safety standards. Federal and many state laws prohibit the removal, modification or rendering inoperative of any part or vehicle system affecting emissions or safety. Violations may result in a fine of up to \$10,000 per vehicle. In addition, installation of this part may adversely affect the warranty coverage on your vehicle.
