

11.Protector Tape

A: INSTALLATION

Apply the protector tape by the following steps.

1. REAR DOOR PROTECTOR

- 1) Clean the area around applying position to remove any foreign objects on body.
- 2) Detach the backing paper from the temporary retention area (a) and apply the protector tape after positioning it correctly.
- 3) Detach the remaining backing paper, and moisten the applying area and the backside of protector tape by spraying liquid (mild detergent solution at 3% concentration).
- 4) Align the protector tape to the position shown in the figure and apply it to the body.

CAUTION:

Remove the water or air bubbles out of the protector tape by using the plastic or rubber spatula.

- 5) Detach the application tape and temporary retention tape.
