Introduction Toyota Technical Service Bulletins (TSBs) continue to be one of the most current sources of technical information available. To ensure complete access to this reference source, use the following steps:

- All 1999 Technical Service Bulletins should be relocated to a temporary binder.
- Place this bulletin along with all 2000 TSBs into the emptied TSB binder.
- During the month of March, all dealers will receive bound books containing all TSBs issued in 1999. Upon receipt, discard all 1999 TSBs and refer only to the bound book for reference.
- Additional copies of 1994 through 2000 TSBs are available to all Toyota dealerships through the Toyota Non-Parts System (MDC NPM System) by using the following Part Number designation:
