

MULTI DISPLAY

DESCRIPTION

The multi display can display either the navigation screen, air conditioner screen, or audio screen, on a 7.0 inch wide LCD (Liquid Crystal Display) with a pressure sensitive touch panel.

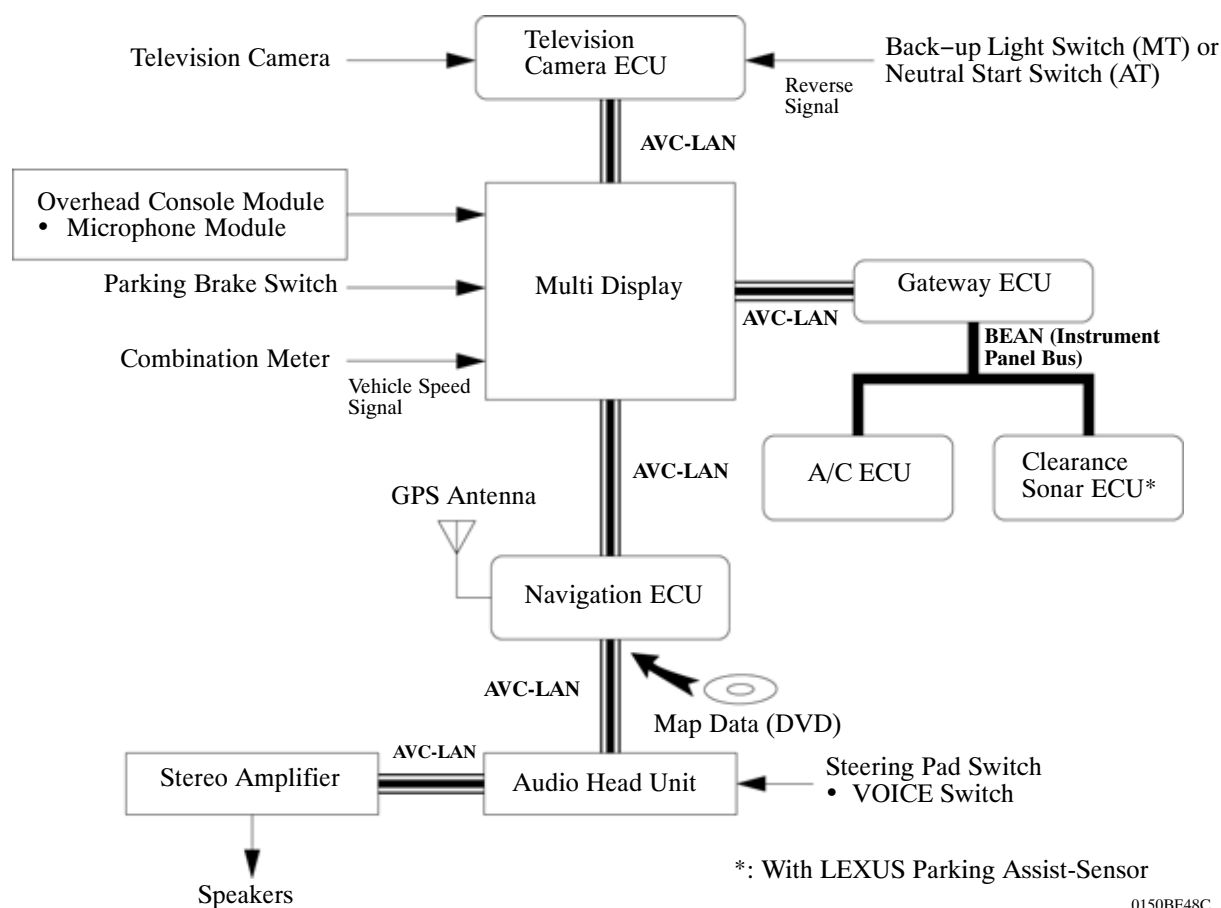

- The multi display is an optional on all models.
- English and French are used in the speech command system (voice recognition function).
- The language of the touch-screen buttons, pop-up messages and voice guidance can be selected from English, German, French, Dutch, Italian, Danish, Swedish, Spanish, Portuguese and Norwegian.
- A hands-free function for a Bluetooth-compatible cellular telephone is used.
