

EQUIPMENT

Multi Display

The multi display, which has the 7-inch wide LCD (Liquid Crystal Display) with a pressure sensitive touch panel, is used.

The navigation screen, air conditioner screen and audio screen can all be displayed on the multi display.

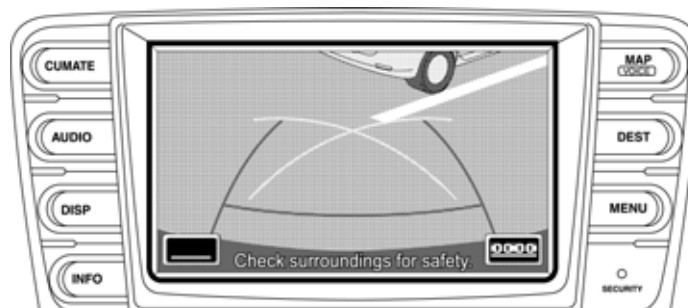

- English, German and French are used in the speech command system (voice recognition function).
- The language of the touch-screen buttons, pop-up messages and voice guidance can be selected from English, German, French, Dutch, Italian, Danish, Swedish, Spanish, Portuguese and Norwegian
- A hands-free function for a Bluetooth®-compatible cellular telephone is used.
