

# 2004 LX 470

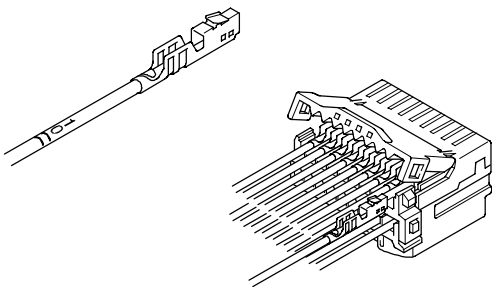

## ELECTRICAL WIRING DIAGRAM

### SYSTEM CIRCUITS

|                                                                         | Page |
|-------------------------------------------------------------------------|------|
| Active Height Control Suspension and Adaptive Variable Suspension . . . | 272  |
| Air Conditioning (Front) . . . . .                                      | 408  |
| Air Conditioning (Rear) . . . . .                                       | 418  |
| Auto Antenna . . . . .                                                  | 384  |
| Automatic Glare-Resistant EC Mirror with Compass . . . . .              | 346  |
| Automatic Light Control . . . . .                                       | 178  |
| Back-Up Light . . . . .                                                 | 176  |
| Center Differential Lock . . . . .                                      | 290  |
| Charging . . . . .                                                      | 110  |
| Cigarette Lighter . . . . .                                             | 236  |
| Combination Meter . . . . .                                             | 400  |
| Cruise Control . . . . .                                                | 254  |
| Door Lock Control . . . . .                                             | 304  |
| Electronically Controlled Transmission and A/T Indicator . . . . .      | 244  |
| Engine Control . . . . .                                                | 114  |
| Engine Immobiliser System . . . . .                                     | 130  |
| Front Fog Light . . . . .                                               | 142  |
| Front Wiper and Washer . . . . .                                        | 226  |
| Garage Door Opener . . . . .                                            | 242  |
| Headlight Cleaner . . . . .                                             | 184  |
| Headlight (w/ Daytime Running Light) . . . . .                          | 134  |
| Headlight (w/o Daytime Running Light) . . . . .                         | 138  |
| Horn . . . . .                                                          | 240  |
| Ignition . . . . .                                                      | 106  |
| Illumination . . . . .                                                  | 152  |
| Interior Light . . . . .                                                | 158  |
| Key Reminder . . . . .                                                  | 358  |
| LEXUS Link System (Mayday System) . . . . .                             | 364  |
| LEXUS Navigation System . . . . .                                       | 370  |
| LEXUS Night View System . . . . .                                       | 186  |
| LEXUS Parking Assist (Rear View Monitor) . . . . .                      | 370  |
| Light Auto Turn Off . . . . .                                           | 182  |
| Mirror Heater . . . . .                                                 | 356  |
| Moon Roof . . . . .                                                     | 300  |
| Multi-Display (w/o LEXUS Navigation System) . . . . .                   | 382  |
| Multiplex Communication System . . . . .                                | 198  |
| Multiplex Communication System (Communication Bus) . . . . .            | 194  |
| Power Outlet . . . . .                                                  | 238  |
| Power Rear Quarter Window . . . . .                                     | 348  |
| Power Seat (Driver's Seat) . . . . .                                    | 326  |
| Power Seat (Front Passenger's Seat) . . . . .                           | 332  |
| Power Source . . . . .                                                  | 100  |
| Power Tilt and Power Telescopic . . . . .                               | 334  |
| Power Window . . . . .                                                  | 294  |
| Radio and Player (w/ LEXUS Navigation System) . . . . .                 | 386  |

|                                                      | Page |
|------------------------------------------------------|------|
| Radio and Player (w/o LEXUS Navigation System) ..... | 394  |
| Rear Window Defogger .....                           | 354  |
| Rear Wiper and Washer .....                          | 232  |
| Remote Control Mirror .....                          | 340  |
| Seat Belt Warning .....                              | 362  |
| Seat Heater .....                                    | 350  |
| Shift Lock .....                                     | 288  |
| SRS .....                                            | 281  |
| Starting .....                                       | 104  |
| Stop Light .....                                     | 170  |
| Taillight .....                                      | 148  |
| Theft Deterrent .....                                | 304  |
| Trailer Towing .....                                 | 172  |
| Turn Signal and Hazard Warning Light .....           | 144  |
| VGRS System .....                                    | 268  |
| VSC .....                                            | 260  |
| Wireless Door Lock Control .....                     | 316  |

## HINT

### WIRE COLOR AND TERMINAL NUMBER

In some parts of the instrumental panel wiring harness, the same wire color (i.e. SB: Sky Blue) is used for all the wiring to a specific connector.

In order to identify the wiring, the terminal number is printed on the wiring.

Install the wiring to the connector position with the same terminal number.

Some early production Vehicles may not have these terminal numbers printed.
