 8 : From Mar. 2014 Production

Wiring Diagram for the 2012-2014 Toyota Auris (E150) showing the lighting system. The diagram includes the main body ECU, turn signal flasher assembly, hazard warning signal switch, and various junction connectors. It details the wiring for the headlights, turn signals, and hazard lights, including the location of fuses and relays. The diagram is divided into four sections: 1. Main Body ECU, 2. Turn Signal Flasher Assembly, 3. Hazard Warning Signal Switch, and 4. Headlight Assembly LH. The diagram shows the connection of the main body ECU to the turn signal flasher assembly, which then connects to the hazard warning signal switch. The hazard warning signal switch is connected to the headlight assembly LH. The diagram also shows the connection of the main body ECU to the turn signal flasher assembly, which then connects to the hazard warning signal switch. The hazard warning signal switch is connected to the headlight assembly LH. The diagram also shows the connection of the main body ECU to the turn signal flasher assembly, which then connects to the hazard warning signal switch. The hazard warning signal switch is connected to the headlight assembly LH.
