

ENHANCEMENT OF PRODUCT APPEAL

■ PARTS WITH LOW REPAIR COST

- Retaining stay for the headlights have been provided separately from the headlights housing to help protect them from severe damage in a minor collision.
- Retaining stays have been made available as service parts. The replacement stay is secured with the screws.
- The headlights housing can be reused replacing the damaged retaining stay with a new one.
- For details on the retaining stay replacement, refer to the 2006 LEXUS RX400h Repair Manual (Pub. No. RM1139E)
