The diagram illustrates a 30-slot slot machine reel layout. It features a central horizontal reel with 30 numbered slots, arranged in three rows of ten. The top row contains slots 1 through 9, followed by a large rectangular area representing the reel's center, and then slots 4 through 6. The middle row contains slots 7 through 9, followed by slots 10 through 12, then slots 13 through 15, and finally slots 16 through 18. The bottom row contains slots 19 through 21, followed by slots 22 through 24, then slots 25 through 27, and finally slots 28 through 30. The layout is symmetrical, with the central reel area and the top row's slots 1-3 and 4-6 being the most prominent features.
