Glass

HSEA (High Solar Energy Absorbing) glass, which blocks the infrared rays in sunlight, is used on some models to ensure comfort.

02KMO43TE

Glass Portion		Color	Glass Type		Visible Light Penetration Rate
			Models 1*1	Models 2*2	
(1)	Windshield	Green with Dark Shade	Laminate	Laminated & HSEA*3	≧75%
(2)	Front Door	Green	Tempered	Tempered & HSEA*3	≧70%
(3)	Moon Roof Panel	Gray	Tempered	Tempered	20%
(4)	Rear Door	Green	Tempered	Tempered & HSEA*3	≧70%
(5)	Rear Door Quarter	Green	Tempered	Tempered & HSEA*3	≧70%
(6)	Back Window	Green	Tempered	Tempered & HSEA*3	≧70%

*1: Australian, G.C.C. countries, Taiwanese, Philippine, and Thai models
*2: Chinese, Vietnamese, Indonesian, and Malaysian models
*3: High solar energy absorbing glass
