Combination Meter

- A large 4-meter optitron meter is used.
- Through the use of eclipse-like illuminations, the vast expanse and excitement of outer space have been produced.
- The multi-information display is provided in the center of the speedometer.
- The multi-information display indicates warnings, DTCs, the odo/tripmeter and cruise information (outside temperature, driving range, average fuel consumption since refueling, distance driven since engine start and average speed since engine start).
