Rear Seat

- A fold-down function has been provided for the rear seat on 2AZ-FE engine models. By allowing the seat lock to be released from the trunk compartment, convenience has been improved.

Foldable Seat and Seat Lock Release Lever (2AZ-FE Engine Models)

- A reclining function has been provided for the rear seat on 2GR-FE engine models. The rear seat can be reclined in 3 steps (8° each) and has a maximum hip angle of 103.5°, a comfortable rest position.
