

NEW FEATURES

■ EXTERIOR AND INTERIOR

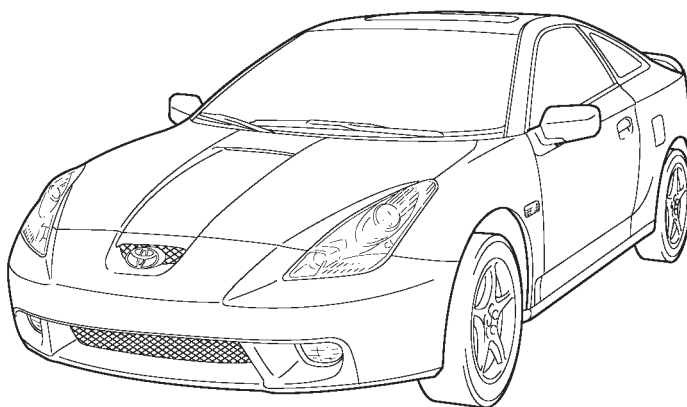

1. Exterior

Front View

- The design of the upper and lower radiator grilles has been changed to emphasize the wideness and the low center of gravity.
- HID headlights are available as an option in order to enhance the high functionality image. Along with the installation of the HID headlights, the bulb replacement procedure has been changed. For details, see the Celica Chassis & Body Repair Manual Supplement (Pub No. RM981E).

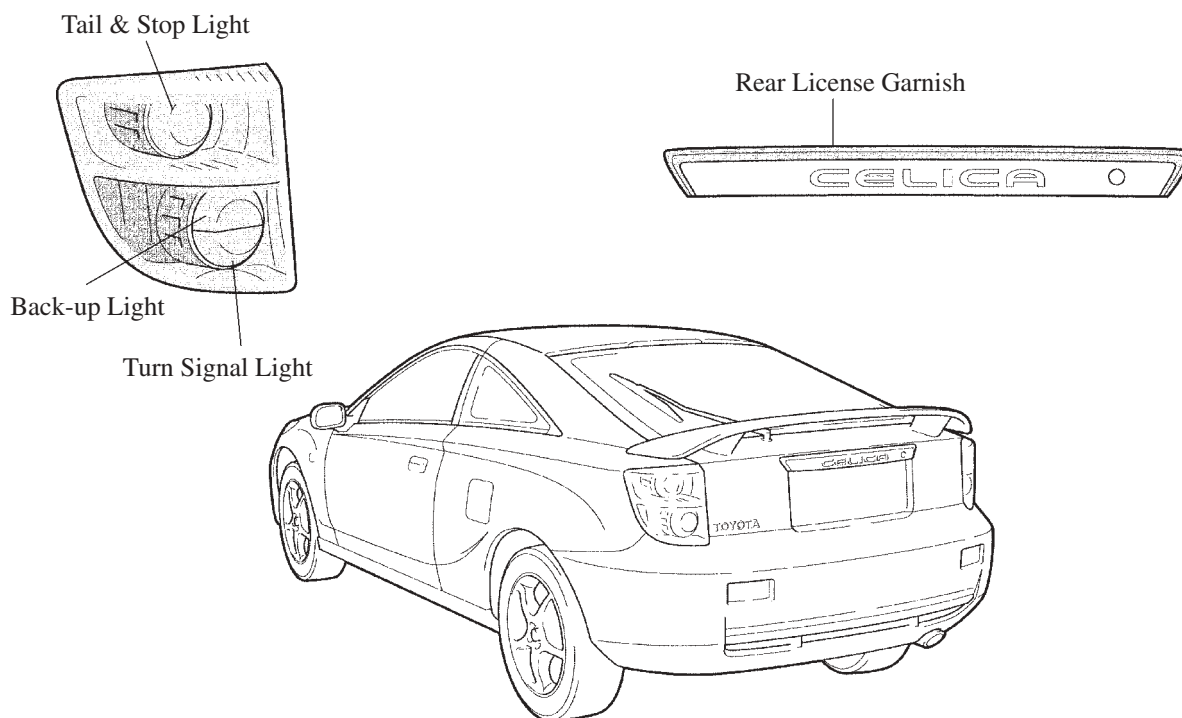

New

Previous

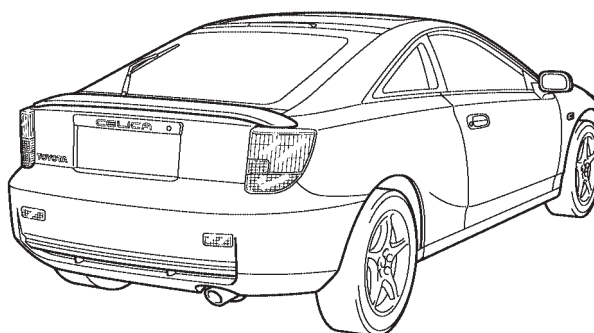

Rear View

- The design of the rear combination lights has been changed to emphasize the sporty and futuristic look.
- The rear license plate garnish on the Australia model has been changed to emphasize high quality.
