# EXTERIOR

## OUTSIDE REAR VIEW MIRRORS

The table below shows outside rear view mirror availability.

| Mirror / Destination | Driver's Side | Passenger's Side | Rear Under Mirror |
|---|---|---|---|
| Other than Hong Kong | Door-Panel Type | Front-Panel Type (with front under-mirror) | Option* (G.C.C. and General Countries only) |
| Hong Kong | Door-Frame Type | Front-Pillar Type | Standard |

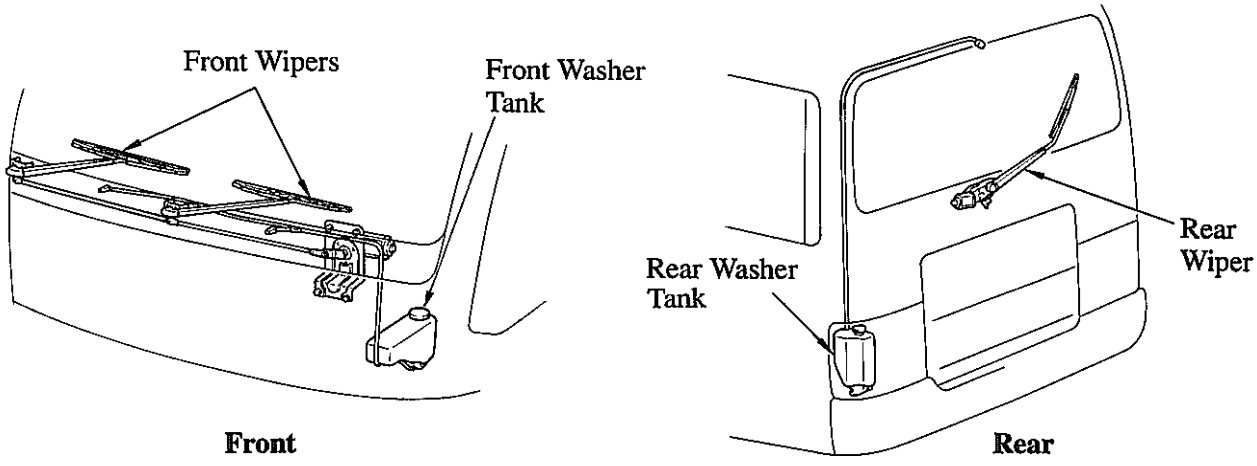

* Excludes back door (double door) models.

**Driver's Side** **Passenger's Side** **Rear Under Mirror**

## WIPERS

- The front windshield wiping area has been increased through the usage of longer wiper arms and blades.
- Rubber mounts supporting the wiper motor brackets have effectively reduced the wiper noise.
- The rear wiper is available only for models with a luggage-type back door.
