INTERIOR

■ DOOR TRIM

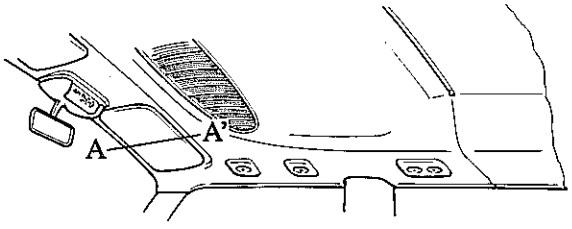

1. Front Door Trim

- Molded door trim has been adopted for an upgraded appearance.
- The RHD EX grade models for General Countries and Australia feature door trim with a large pocket.

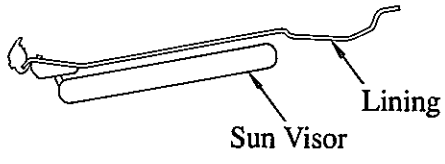

■ ROOF HEADLINING

- Models without cooler have a listing wire type headlining, and those with cooler have a molded headlining.
- Large sun visors are used in the new model. When retracted, they blend in perfectly with the lining.

Molded Headlining

A–A' Cross Section

- A tray-type room rack is available as an option on certain models, except those for Australia.
