Design		 07D8CH01D	 07DIN401S

*: Pitch Circle Diameter

5. Inside Rear View Mirror

EC mirrors without the display unit (3.3-inch LCD) are only provided for the Australia models, along with the discontinuation of the rear view monitor system.

6. Rear Wiper

A rear wiper is provided as the standard equipment for the Australia models.

7. Audio System

The standard settings of the audio system for the Australia models have been changed from the former system to either an audio-less specification or with 8 speakers. In addition, a Bluetooth hands-free system has become available by employing a Bluetooth-compatible audio head unit.

8. Rear View Monitor System

The rear view monitor system has been abolished for the Australia models.

9. SRS Airbag System

SRS side airbags and SRS curtain shield airbags have been changed from optional to standard equipment for General Countries for RHD models.

10. Cruise Control System

The cruise control system is provided as the standard equipment for the Australia models.
