AUDIO SYSTEM

■DESCRIPTION

The radio with CD and 6 speakers is standard equipment. The radio, with an in-dash CD auto changer and 8 speakers is optional equipment.

The audio system has the following features:

- A 8 in. (20 cm) box type woofer is available as optional equipment. The woofer function can be disabled using the woofer on/off switch.
- The ceiling speaker with exciter is creating a wide acoustic space.
- An auxiliary jack is provided on the center lower panel to allow portable audio players or other similar devices to be connected to play music through the vehicle's sound system.
- The steering pad switch is optional equipment.
