FJ CRUISER

OUTLINE OF NEW FEATURES

The following changes have been made for the 2008 model year.

1. Destination Package

The destination package for Mexico has been added.

2. Package Option

An off-road package is available as an option for 4WD models. For this, exclusive off-road package tires, wheels and suspension are available.

3. Exterior

- The exterior body colors are available as an option for the roof.
- A total of 7 exterior colors are available – 4 carryover colors, and 3 new colors:

Color No.	Color Name	Note	Color No.	Color Name	Note
058	White	**New**	4U0	Beige	**New**
1D4	Silver Metallic	Carryover	5A3	Yellow	Carryover
211	Black Mica	Carryover	8T6	Blue	Carryover
3R8	Brick Red Metallic	**New**	—	—	—

3. Tire & Wheel

Exclusive tires and wheels are available for the 4WD model off-road package option. For details, see page 6.

4. Engine

For the convenience package except model for Mexico, a cyclone pre-cleaner assembly that separates dust from intake air is used. For details, see page 7.

5. Suspension

Bilstein made mono-tube shock absorbers are used on the off-load package.

6. Tire Pressure Warning System

Tire pressure warning system has been provided on all models as standard equipment. For details, see page 8.

7. Lighting

Following the addition of an engine immobilizer system, key illumination is provided for all models.
