6. Lighting

A map lamp assembly that the driver and front passenger can use independently has been provided to improve convenience.

7. Combination Meter

- The design of the indicator lights in the combination meter has been changed as shown in the table below.
- The slip indicator light uses the same active circuit as the SRS warning light, ABS warning light and brake system warning light on the ’08 FJ CRUISER.

Model	’09 FJ CRUISER	’08 FJ CRUISER
RSCA OFF Indicator Light	 10YBE02TE	Not available
TRAC OFF Indicator Light	 10YBE03TE	Not available
VSC OFF Indicator Light	 10FCH15TE	 10YBE04TE
VSC TRAC Warning Light	No longer used	 10YBE05TE
