8. SRS Airbag System

The RSCA (Roll Sensing Curtain Shield Airbags) function has been provided as standard on all models. For details, see page 12.

9. Rear View Mirror

The inside rear view mirror, which consists of an automatic glare-resistant EC (Electrochromic) mirror and rear view monitor system display unit, has been made available as an option. For details about the automatic glare-resistant EC mirror, refer to page 15.

10. Rear View Monitor System

The rear view monitor system including an inside rear view mirror with display unit has been made available as an option. For details, see page 17.
