NAVIGATION WITH AV SYSTEM

■ DESCRIPTION

The navigation with AV (Audio Visual) system can display the navigation screen, audio screen, or telephone operation screen, etc. on an 8.0-inch wide LCD (Liquid Crystal Display) with a pressure sensitive touch panel.

- The navigation with AV system is available as an option the models for the Sport, Grande, or Limited grade.
- The display supports 32000 colors, improving the appearance of the display.
- On the models for Australia, English is used in the speech command system (voice recognition function).
- On the models for China, Chinese is used in the speech command system (voice recognition function).
- A hands-free function for a Bluetooth-compatible cellular telephone is used. For details, see page BE-111.
