■AREA DISPLAYED

- Objects on the right of the vehicle appear on the right side of the display, and objects on the left of the vehicle appear on the left side of the display.
- The television camera uses a wide-angle lens. The perceived distance from images that appear on the screen differs from the actual distance.

Display Status

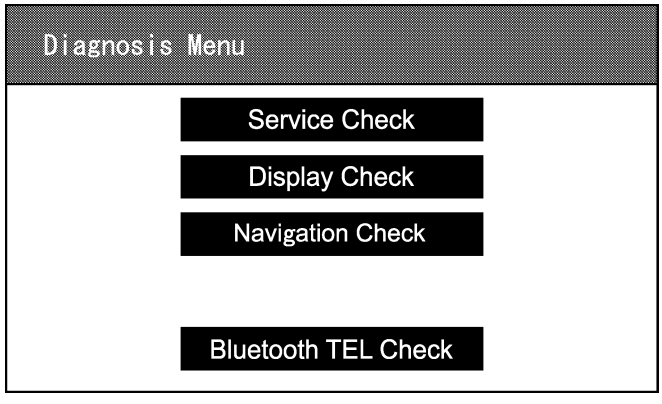

06J0BE72C

NOTE:

- The area displayed may vary according to vehicle status or road conditions.
- The area covered by the television camera is limited. The television camera does not show objects close to either corner of the bumper or show the area under the bumper.

■DIAGNOSIS

The rear view monitor system of the navigation receiver assembly is equipped with a diagnosis function which can display the diagnosis menus. The method for entering the diagnosis menu screen is the same as the method used for the navigation receiver assembly. For details, see the 2008 HIGHLANDER Repair Manual (Pub. No. RM06J0U).
