EXTERIOR

Front View

- A radiator grille with a 3-step composition is used, providing an impression of precision in order to express advancement.
- A sense of dynamism is expressed through the lines running from the bumper to the sides of the vehicle.

Radiator Grille

07V0MO24C

Rear View

- Voluminous rear fenders and a wide stance express strength and stability.
- The rounded surfaces of the back door accentuate the simplicity of the design.
- The area around the license plate is designed to match the trapezoid design theme of the radiator grille, expressing stability.
