EXTERIOR

STYLING

Continuing with the sporty identity of the Hilux, a modern, powerful, and massive design which is suitable for the next-generation pickup has been achieved.

① : The front view expresses the vehicle's powerfulness through its well-defined and solid form.

② : The trapezoidal radiator grille expresses the sense of wideness and freshness (2WD model).

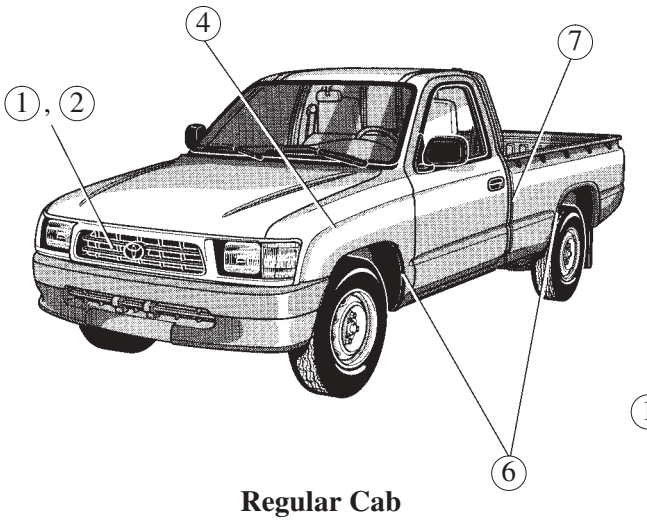

③ : The radiator grille and the bumper together express the vehicle's powerfulness in the vertical direction (4WD model).

④ : The relaxed and unique character line which flows towards the rear expresses the vehicle's sportiness.

⑤ : The cab length of both the extra cab and double cab models has been extended to ensure a comfortable interior space.

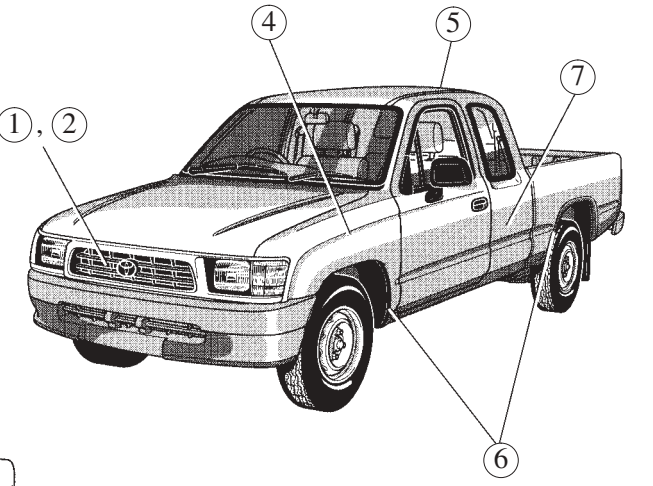

⑥ : The wheel flare form wraps around the tire to express a sense of stability.

⑦ : The cross sectional shape of the door is extended to the deck to express the vehicle's powerfulness.
