

# CLIP

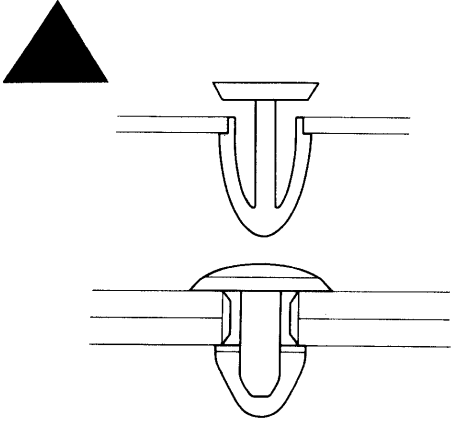

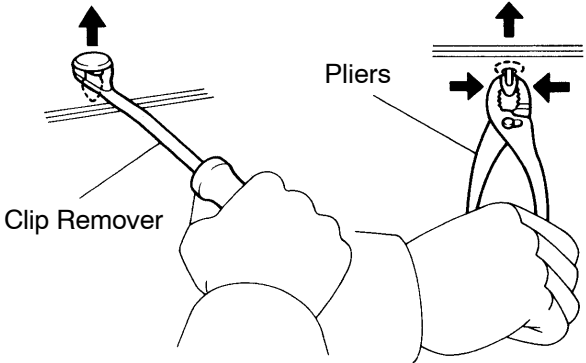

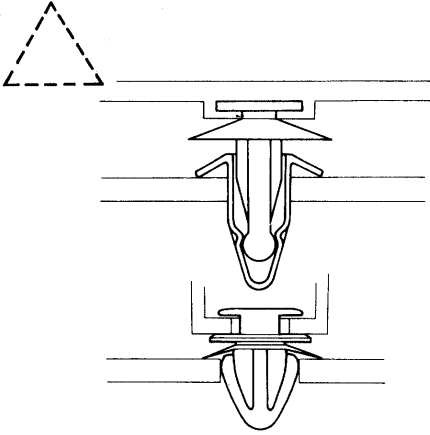

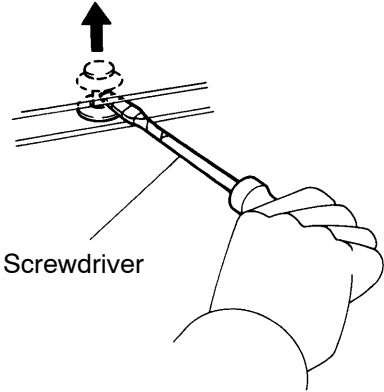

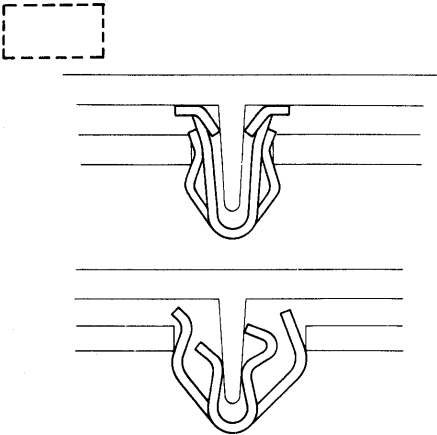

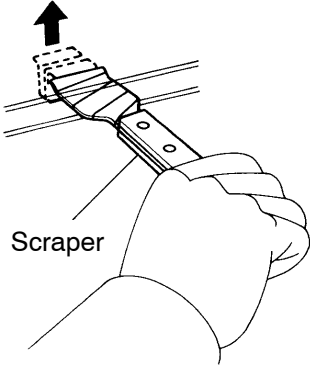

## REPLACEMENT

BO37F-01

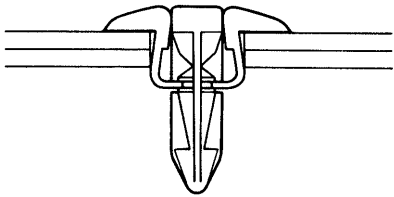

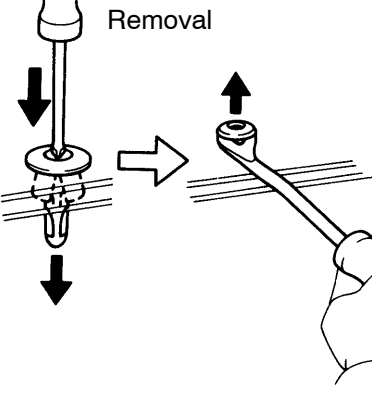

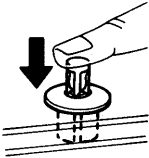

The removal and installation methods of typical clips used in body parts are shown in the table below.

HINT:

If the clip is damaged during the operation, always replace it with a new clip.

|                                                                                     |                                                                                      |
