BRAKE SYSTEM

32149–01

PRECAUTION

- **Care must be taken to replace each part properly as it could affect the performance of the brake system and result in a driving hazard. Replace the parts with parts having the same part number or equivalent.**
- **It is very important to keep parts and the area clean when repairing the brake system.**
- **When air remains in the brake line or disconnecting the brake line, bleed the air.**
- **Wash brake fluid off immediately if it adheres to any painted surface.**
- **Prevent brake fluid from adhering to electronic parts.**
- **If the vehicle is equipped with a mobile communication system, refer to the precaution in the INTRODUCTION section.**
- **When disconnecting the negative (–) battery terminal, initialize the following system after the terminal is reconnected.**

System Name	See Page
Power Window Control System	01–5
