750UE–01

DISPOSAL

HINT:

Use the same procedures for the RH side and LH side.

1. DISPOSE OF BACK DOOR STAY

(a) Horizontally fix the stay in a vise with the piston–rod pulled out.

(b) Wearing safety glasses, gradually cut a part between A and B as shown in the illustration using a metal saw to gradually release the gas.

Specification:

Area	Measurement
a	80 mm (3.15 in.)
b	20 mm (0.80 in.)

CAUTION:

Be careful to cover the area that is being cut as there is a possibility that metal debris could be blown out by the gas (the gas is colorless, odorless and harmless).
