NAVIGATION SYSTEM WITH AV SYSTEM

■ DESCRIPTION

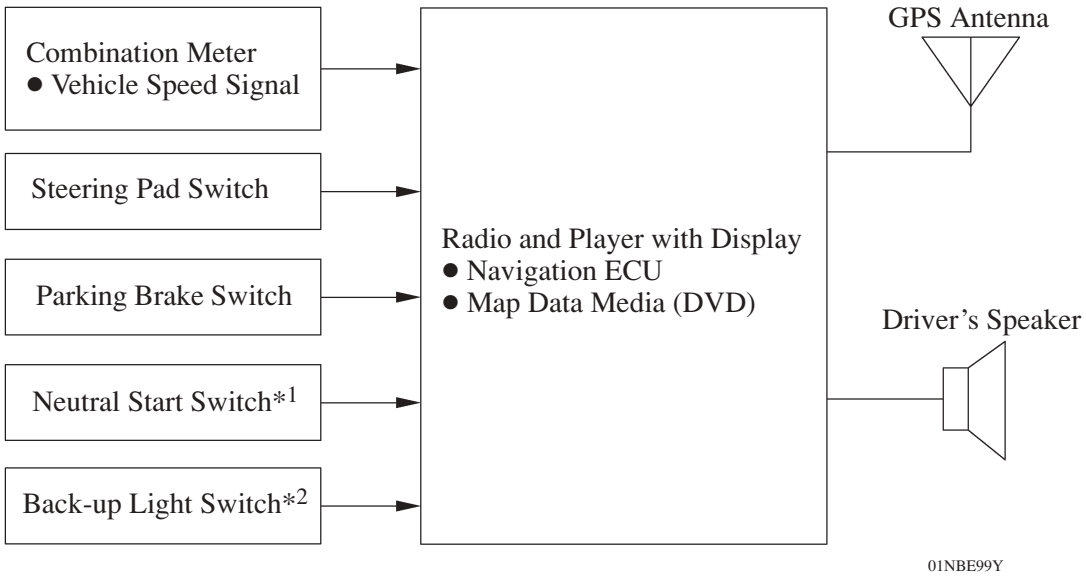

- The navigation system with the AV system is available as optional equipment on the high grade for Europe. It uses a wide, 6.5-inch LCD (Liquid Crystal Display) screen with a pressure sensitive touch panel for improved ease of use.
- A GPS (Global Positioning System) voice navigation is available as optional equipment.
- A voice recognition function is used in the GPS voice navigation system.
- A hands-free function for a Bluetooth-compatible* cellular telephone is used.
- A rear view monitor is available as optional equipment on the 2AD-FHV engine models.

*: Bluetooth is a high-speed wireless data communication system that uses the 2.4 GHz frequency band prescribed by the Bluetooth SIG (Special Interest Group), with communication at a speed of 1 Mbps.
