■STEERING PAD SWITCH

- The design of the steering pad switch has been changed for the models with the 3ZR-FAE engine or diesel engine.
- A DISP switch has been added.
- The steering pad switches provided on the steering pad may vary depending on optional equipment, as indicated in the table below:

System	Switch	Equipment	
		Standard Grade	High Grade
Audio	● Volume ● MODE ● Seek Up/Down	—	Standard
Voice Recognition	Voice	—	Standard
Telephone	● On Hook ● Off Hook	—	Standard
Multi-information Display	DISP	Standard	Standard
