# INTRODUCTION

## OUTLINE OF NEW FEATURES

### 1. AB60E and AB60F Automatic Transmissions

The specification of the ATF cooler has been changed to make an air-cooled type ATF cooler which is integrated with the condenser.

**Condenser Assembly**

12CCH001I

### 2. Brake

The Vehicle Stability Control (VSC) warning buzzer has been discontinued. When the VSC is being operated, the slip indicator light blinks.
