NAVIGATION WITH AV SYSTEM

■ DESCRIPTION

The navigation with AV (Audio Visual) system can display the navigation screen, audio screen, or telephone operation screen, etc. on a 7.0-inch wide LCD (Liquid Crystal Display) with a pressure sensitive touch panel.

- The navigation with AV system is available as an option for the double cab or CrewMax.
- The display supports 32000 colors, improving the appearance of the display.
- English is used in the speech command system (voice recognition function).
- The language of the touch-screen buttons, pop-up messages and voice guidance can be selected from among English, French and Spanish.
- A hands-free function for a Bluetooth-compatible cellular telephone is used. For details, see page BE-82.
