EXTERIOR

Front View

- To create a strong front face, radiator grille utilized a trapezoid design with a clear graphic and strong three-dimensional structure.
- The design from the radiator grille through the front bumper creates a strong image and a sense of unity.

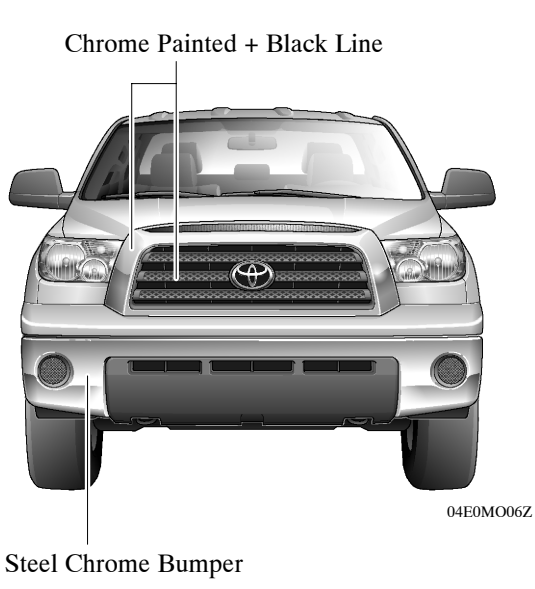

Radiator Grille

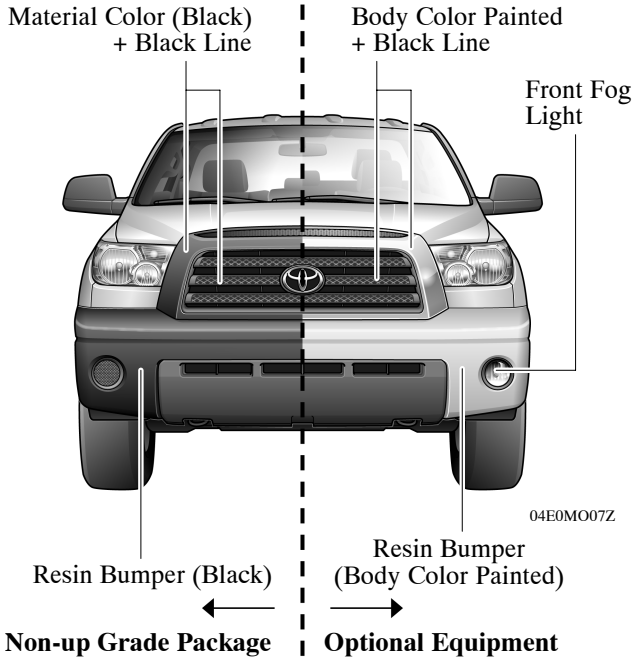

04E0MO05Z

- Combinations of radiator grille, front bumper, and front fog lights vary for different grade segments. For availability, refer to the equipment list. See page MO-55.
