Air Conditioner System

An air conditioner and heater are provided. As provision varies by destinations and grades, see the Equipment List starting on page MO-48 or the Air Conditioner on page BE-23.

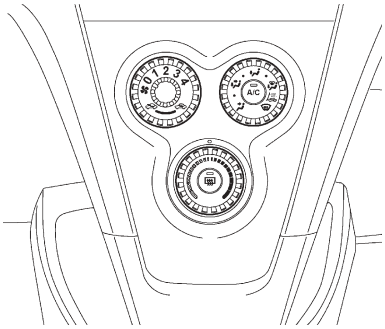

00SMO15Y

Hatchback Model with Automatic A/C

00SMO16Y

Hatchback Model with Boost Vent

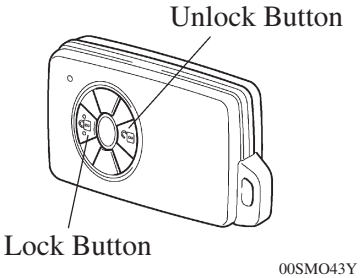

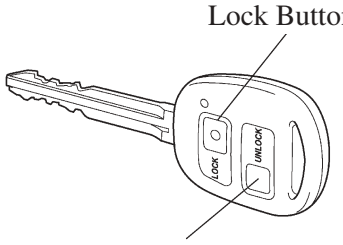

00SMO58Y

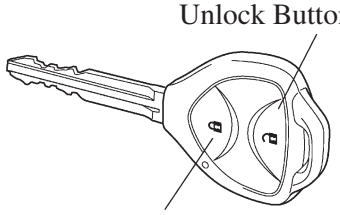

Sedan Model with Manual A/C

Wireless Door Lock Remote Control System

A wireless door lock remote control system with the answer back function, which blinks the hazard warning lights when locking/unlocking the door, is used. There are three types of transmitters for this system. The provision of the transmitter varies by the models as follows:

<table>
<tr><th colspan="2">Body Type</th><th>Transmitter Type</th><th>Destination</th><th>Provision</th></tr>
<tr><td rowspan="3">Hatchback</td><td>With Smart Entry & Start System</td><td>

00SMO43Y</td><td>Europe</td><td>Option</td></tr>
<tr><td rowspan="2">Without Smart Entry & Start System</td><td>

00SMO39Y</td><td>Europe</td><td>SOL Grade: Standard
Standard Grade: Option</td></tr>
<tr><td>
